

## *Obedience Seminar with Jill Morstad*

**Do you want something to look forward to after the holidays? Jill Morstad is coming to 4RK9s on January 7<sup>th</sup> for a seminar geared toward heeling, recalls and stays.**

**Jill Morstad, PhD has been teaching people to train their dogs since 1985 – offering classes through local and regional dog clubs, in private settings and for animal shelters and veterinary clinics. She has trained to the OTCH level in obedience.**

**A professional educator with a broad background and experience in the dynamics of human-to-canine (and canine-to-human) communication, she frequently provides behavior advice and instruction for dog owners, children and families in the interest of public health and community service.**

**If you are just starting out in obedience with your dog or have some experience, this would be the opportunity for you to expand your knowledge, plus have something to look forward to in “boring” January!**

**The hours are 8 AM to 5 PM and the cost for a working spot is \$60. Auditing is available also at \$20. Lunch will be provided.**

**To register, please fill out the form below, send your fee and return the liability waiver and a copy of your dog’s distemper and rabies vaccinations to: Paula Warner, 4223 F Avenue NE, Cedar Rapids, IA 52402. We would love to see you there!**

**LIABILITY WAIVER**

I agree by my signature to hold 4RK9's, its members, directors, officers, the owner of the premises used for training, and any party or employee of the aforementioned parties, harmless from any claim or loss which may be alleged to have been caused directly or indirectly to any person, animal or things by this dog while in or upon the premises or near the entrance thereto.

I personally assume all responsibility and liability for any such claim. I further agree to hold aforementioned parties harmless for any such claim for the loss of this dog due to disappearance, theft, damage or injury or any other causes. I am solely responsible for my children's safety and welfare as well as their supervision during the entire time they are present on the training grounds.

To the best of my knowledge this dog is free of any contagious or potentially contagious diseases.
